Dear Parents

The first day of the Farm & Circus Summer Camp is approaching and your child/ren will come home with their first experience and a lot to tell....

We will enjoy our time together and look forward to sharing this unique opportunity, with your child/ren, family and friends.

I with my family and other helpers have the pleasure to coach this year's Summer Camp.

This is a friendly reminder that we are not a Circus School, hence we only encourage the kids to learn and experience the farm and the real "Circus Show business".

Our motto is:

Never say "I cannot do it!"- we will never show you something which you cannot do. However, you are welcome to say "I do not want to do it!"

Please allow me to inform you about some practical information and some requests by us:

General Information:

- Please drop off kids at 9am in front of the entrance tent
- We kindly ask you to collect your children on time as arranged.
- Only pre organized and appointed people for collection.
- We ask you to let us know telephonically (Office:519 632 7557 or Mobile 519 503 2552) should your child for some reason not be able to attend the Summer Camp.
- The children are requested to wear a T Shirt, shorts and running shoes – no sandals
- Please note no skirts, costumes or dresses!
- No stuffed toys or any other toys are allowed.
- Please make sure that they have a hat and sunscreen as they will be spending some time outside during playtime, lunch and snack time.
- The concession trailer will be open and the children are welcome to purchase juice, ice cream, chips etc should they wish to do so at break time.
- Please note that the daily programme will be created taking various matters in consideration, such as weather, willingness of students etc.
- Please note that we are a nut free facility.

- Please ensure that your children bring lunch, morning and afternoon snacks as well as plenty of water to drink.
One bottle of water is not enough for the day.
- Please note that should there be an extremely hot day, we will set up a sprinkler on the lawn next to the playground and offer a small group of kids at a time to cool down for a few minutes. We therefore ask you to provide a swimming suite and a towel each day.
The children can change in the three large washroom compartments.
- We will create our own “Farm Ayr Dream Circus” posters.
Please provide pencils and crayons.
